

Dear Local Business Owner,

Our names are Myra Bajwa and Brittany Evans, and we are the Editors-in-Chief for Metea Valley High School's student-run website and magazine, Metea Media and The Stampede.

I am writing to invite you to advertise on our website and print news magazine. With 5,000 hits per day, our award-winning website is a great platform to get your business even more recognition, not only for our students and teachers, but also for surrounding Aurora and Naperville area. Website ads are prominently displayed as a banner at the top of our website or in the side column of the front page.

Our news magazine is published six times a year and seen by hundreds of students. We offer a variety of advertising sizes and packages to best fit your budget.

We can print advertisements that you supply, or our graphics design team can design an advertisement for you for a small fee.

If you are interested, our advertising rates, contract, and publication dates are attached. You can view our website and digital versions of our magazine by visiting www.meteamedia.org.

We believe trusted and high-quality journalism is more important today than ever, and we appreciate you supporting scholastic journalism at Metea Valley. We look forward to featuring your advertisement in our magazine and on our website!

Sincerely,

Myra Bajwa and Brittany Evans
Editors-in-Chief
